Gracious custom shingle-style residence beautifully sited on 2.67 private acres in convenient commuter location. Showcasing an excellent floor plan for casual, elegant living and entertaining, this home is rich with architectural detail, built-in features, high-tech systems, and luxurious appointments. Highlights include a custom crafted kitchen with granite counters and stone hearth/pizza oven, and a sunken family room/living room with cathedral ceiling. First and second floor master suites feature vaulted ceilings, walk-in closets, and marble baths. Finished walkout lower level. Beautifully landscaped grounds amid stone walls, patios, water features, sports court, and three garage spaces. In "like new" construction with a "retreat like" setting.
