

Embassy Boulevard

Bengaluru, Karnataka, India

Embassy Boulevard is a premium gated community comprising of 170 spacious villas built up area ranging from 3935 to 7310 sft and the plot area ranging from 3810 Sft to 16,000 Sft, spread over 51 acres of land off Bellary Road, 2.5 kms from the Yelahanka Air Force station, 15 kms before the Bangalore International Airport. Designed by Singapore based Andy Fisher Workshop, the villas are set among rows of towering trees and manicured gardens. The design features of this luxury development embrace Indian heritage and contemporary style in a unique manner. All villas are provided with a Private Swimming pool and Sun Lounging space, Private Elevators, Centrally Air-Conditioned, Outdoor barbecue facilities, landscaped gardens, Property Management Services and 24*7 international concierge services.

A 100,000 sft club spread over 1.5 acres of landscaped gardens will provide premium recreational facilities for the residents of Embassy Boulevard.
