

# Kanantik Belize

Stann Creek District, Belize, Belize

Situated on 5,800 acres of palm-strewn beaches, sub-tropical savannahs and Belizean jungle along the Southern coast of Belize, lies the only gated residential, golf and resort development of its kind. Kanantik Belize is an active, eco-friendly community offering over 2,800 residential homesites uniquely dispersed throughout four neighborhoods, namely the Caribbean Estates, Savannah and Golf Estates, and Foothill Estates. The serene beachfront of Kanantik Belize will feature approximately 300 Oceanfront Villas scattered throughout the lush growth of palm trees and mangroves that flourish along the Caribbean. Enjoy unobscured views of the Caribbean Sea from the comfort of your villa, or take a short walk to the Beach Club pool and bar of the Condé Naste Award-winning Resort where you can sip cocktails while lounging alongside the refreshing pool. Our Development Team has planned amenities that will cater to every homeowner's needs and tastes, from a signature 18-Hole Championship Golf Course to an amazing Culinary Institute with Organic Farm-to-Table Restaurants. Take a short boat ride from our community dock to our 7 acre private island oasis where you can explore the underwater spe
