Complete this large waterfront home on a scenic peaceful tributary to the Chesapeake Bay. Complete with a private deep water pier and new bulkhead. This property is designed with a large first floor open floor plan, with a first level bedroom/office/den. The second level has 3 large bedrooms and 2 full bathrooms. Two bedrooms have scenic water views. The third level is the master suite, with large sitting area, private bath, and expansive water views.

This property is completely under roof, with all windows, doors, siding, walls studded, and partial electric and plumbing. Waiting for someone to complete the interior and applying their own finishing touch. The budget and decor is completely up to the purchaser.
